

CHAIR LEG PROTECTORS

Made of high-density rubber, our Chair Leg Protectors offer a convenient, maintenance-free, and inexpensive solution for protecting the legs of your Gold Medal Director's Chair. These are not generic end caps; these are made from a custom mold to ensure a perfect fit on your Gold Medal Director's Chair for worry-free use. Our Chair Leg Protectors also protect your flooring from the bottom of the chair legs. They are non-slip for extra stability and non-marking on all common flooring surfaces. Sold in sets of 4, these are available in both black and clear.

STORAGE BAG

These bags will make transporting and storing a cinch. Constructed of durable 600 denier ballistic nylon and a rubber inner lining. Personalization is available for the bags as well. The Storage Bag features a convenient side handle for easy carrying.

CUP HOLDER

Oversized to fit even the largest reusable cups and mugs. The Gold Medal Cup Holder is constructed of durable 600 denier ballistic nylon and a rubber inner lining. It features heavy-duty hook and loop fasteners that can mount horizontally or vertically on the chair, allowing you to position the Cup Holder exactly where you need it.

SCRIPT BAG

The Gold Medal Script Bag is a versatile addition to your Gold Medal Director's Chair. Originally designed for the film industry, the Script Bag has proven equally adept at home or on set, as it's the perfect size to hold large documents, magazines, camera accessories – or just the remote controls. The Gold Medal Script Bag is made from the same durable canvas material as the chair canvases, available only in black. Complete your new chair purchase with this must-have accessory today!
